## Transportation Services...

When you trust your wedding transportation to Family Car and Limo Service you'll discover our experienced concierge staff, with a welcoming environment and our elegant red carpet service. Let the FCS Team help you select the right service with the right limo for your special occasion. You may choose from a point-to-point wedding transfer or by the hour wedding service for your transportation needs. Each will include a driver in formal dress attire with our red carpet treatment.

Wedding limo transfers are almost the same service as a standard limo transfer, but with some perks when requested. Each wedding transfer is unique and usually requires special rates and planning. Chauffeurs will be required to dress formal and will provide a RED carpet if conditions permit upon entering and exiting the vehicle. Ice and beverages are NOT included on any limo transfer service. They are only included for hourly AD service. Ice and beverages can be added to your transfer for \$15.00 if requested. We are not permitted to serve alcohol. Passengers may provide their own drinks containing alcohol if they wish. Use of our drink ware with your own beverages will be a \$10.00 cleaning fee if you did not purchase the ice and beverage service.

Other additional charges may include extra stops, wait time, tolls, or parking. Each scheduled or non-scheduled stop is \$15.00. You have 15 FREE minutes at your pickup and 15 free minutes at your drop off, during your wedding transfer. You may use this time to take photographs with your limo. Extra wait time will be billed at \$1.00 per min. If you require another limo transfer after your first we can NOT 100% guarantee the same limo will be available unless you reserve it by the hour, otherwise known as a Hourly A.D.
